

How many items should I order?

A good rule of thumb is to order 2-3 pastries or mini cupcakes per person and one regular-sized cupcake per person. If you are also serving cake, you will want to take that into consideration. Your consultant can advise you.

Will you set up my dessert bar?

We can set up your items for an additional fee. The initial dessert bar set up fee is \$1 per person. We are not responsible for replenishing items.
